

Accreditation Term Determination*

The visiting committee will recommend a term of accreditation which will be acted upon by the Accrediting Commission. A term of recommendation is the period of time that best reflects the degree to which (1) the school is a trustworthy institution of learning and (2) the school is implementing an improvement process that will improve student learning. Current terms are six years; six years with a one-day review; three years, two years, one year; or denial. The Commission reserves the right to grant additional conditions of accreditation other than those listed above. Such action will follow a Commission review of the visiting committee report.

An accreditation term will be based upon a school demonstrating the following:

1. Involvement and collaboration of stakeholders in the self-study that accomplishes the five parameters of the self-study.
2. The defining of the school's purpose through expected schoolwide learning results (schoolwide learner outcomes) and academic standards.
3. The use of a professionally acceptable assessment process to collect, disaggregate, and analyze student performance data.
4. The acceptable progress by all students toward clearly defined expected schoolwide learning results (schoolwide learner outcomes), academic standards, and other institutional and/or governing authority expectations.
5. *An Organization for Student Learning* that supports high achievement for all students.
6. *Curriculum, Instruction, and Assessment* that supports high achievement for all students.
7. *Support for Student Personal and Academic Growth* that supports high achievement for all students.
8. *Resource Management and Development* that supports high achievement for all students.
9. The alignment of a long-range schoolwide action plan to the school's areas of greatest need to support high achievement of all students.
10. The capacity to monitor and implement the schoolwide action plan.
11. The use of prior accreditation findings and other pertinent data to ensure high achievement of all students and drive school improvement.
