ACS WASC MID-CYCLE VISIT PROCEDURES (ONE-DAY)

SCHOOL INSTRUCTIONS

Schools that receive a six-year accreditation status with a required one-day mid-cycle visit must prepare a progress report to submit to the mid-cycle visiting committee prior to the scheduled visit.

The progress report is a concise compilation of all progress noted since the previous full self-study. Included in this report should be the progress made on the recommendations and critical areas for follow-up left by the previous full self-study visiting committee and any improvement in student achievement relative to the schoolwide learner outcomes and academic standards. Supporting evidence should also be included. The progress report should be completed and distributed four to five weeks prior to the visit.

The mid-cycle visiting committee is comprised of a chairperson and an additional educator from the previous self-study visiting committee when available. Once assigned, the chairperson will contact the principal to establish a date for the visit. The visit should take place before the end of the third year of the school’s six-year accreditation cycle.

The school works closely with the visiting committee chairperson in planning the schedule for the visit and the principal is responsible for all logistical arrangements, such as a work room, etc. The visiting committee expenses are submitted to the ACS WASC office for reimbursement. The school should make certain that all necessary paperwork is submitted in a timely fashion.

Preparation of the School’s Progress Report

The progress report should be prepared by the leadership team responsible for monitoring the schoolwide action plan. All stakeholders are encouraged to be involved in the process.

If there are differing opinions regarding the nature and extent of progress, this should be indicated and explained in the report. If changing conditions have made parts of the action plan obsolete, that should be noted and explained.

All stakeholders, including the Governing Board, should review and approve the report prior to the visit.

The school mid-cycle progress report template can be found on the ACS WASC website at www.acswasc.org/pdf_general/Mid-cycleProgressReportTemplate.doc.

Progress Report Format

The school’s progress report format is as follows:

I. Student/Community Profile Data

Include the following:

- An updated student/community profile that includes the following: a brief, general description of the school and its programs; the school’s vision, mission, and learner outcomes; student and faculty/staff demographics; and student achievement data for a three-year period.

- An updated summary of data with implications, identified critical learner needs, and important questions for staff discussion.

Distribution of the School’s Progress Report
1. The school shares the progress report with the faculty, staff, and the governing board prior to the school visit.
2. At least four to five weeks prior to the visit, the school sends one (1) copy of the progress report to each member of the visiting committee with additional materials, such as the current action plan. It is assumed that annually the school has modified or refined the action plan based on progress noted.
3. The school sends an electronic copy of the progress report via email to file@acswasc.org.
The mid-cycle visiting committee is typically comprised of the chairperson and an additional educator from the previous self-study visiting committee when available. The visiting committee will visit the school to meet with the principal, leadership team, and other groups responsible for the monitoring and implementation of the schoolwide action plan. The visiting committee will focus on the progress made on the critical areas for follow-up (major recommendations) and review the action plan.

**Visiting Committee Guidelines**

1. The school should provide the following materials to the visiting committee:
   a. The ACS WASC visiting committee report from the previous self-study
   b. The current schoolwide action plan
   c. The completed mid-cycle progress report.
2. The visiting committee reviews these materials and the school’s follow-up process in response to the previous ACS WASC visiting committee report. The visiting committee will review progress made and significant developments at the school with the principal and/or Leadership Team. The visiting committee should emphasize the importance of noting the progress the school has made in student achievement using multiple means of assessment.
3. The visit date is mutually determined by the chairperson and the school. The chairperson works closely with the school to establish the visit date and coordinate the schedule. This is a one-day visit and an overnight hotel stay is not typically associated with this visit.
4. The visiting committee’s expense vouchers should be submitted to the ACS WASC Burlingame Office for reimbursement following the visit.

**Visiting Committee Report**

Immediately following the visit, the visiting committee will prepare its report detailing the areas of strength and critical areas for follow-up, with regard to progress made on the action plan.

The visiting committee report format is as follows:

I. **Introduction**
   - General comments about the school, its setting, and the school’s analysis of student achievement data.
   - Include a description of any significant changes and/or developments, i.e., program additions since the last full visit, changes in student enrollment, staffing changes.
   - Describe the impact these changes and/or developments have had on the school and/or specific curricular programs.
   - Briefly comment on the school’s follow-up process. Include a description of the committee that has been responsible for overseeing the progress of the school’s action plan and the preparation for the visit.
   - Describe the process used to prepare the progress report.

II. **Progress on Critical Areas for Follow-up/Schoolwide Action Plan**
   - Provide an analytical summary about the accomplishment of each schoolwide action plan section referencing the critical areas for follow-up addressed through each section.
   - Note evidence supporting the progress made and the impact made on student achievement.
   - If any critical areas for follow-up were not included in the school’s action plan, indicate what actions have been taken to address these issue(s) and include supporting evidence.
Note: The school’s schoolwide action plan should have incorporated all the critical areas of follow-up or major recommendations that were stated in the last self-study visiting committee report.

III. Commendations and Recommendations

A. Commendations:
   • Comment on significant progress the school has made in responding to the critical areas for follow-up and in carrying out the related action plan.

Visiting committee materials can be found on the Mid-cycle One-Day Visits page of the ACS WASC website.

Confidential Summary Statement

The chairperson submits a confidential summary statement which includes a brief summary statement to ACS WASC regarding the progress made on the schoolwide critical areas for follow-up and/or major recommendations. This statement should include whether additional visits or other conditions should be required of the school during the remainder of its current six-year accreditation cycle.

The committee will recommend one of the following options:

1. Reaffirm accreditation for the remainder of the six-year cycle, this indicates that the school has made sufficient progress and has the capacity to complete the remainder of the accreditation cycle in good standing

2. Reaffirm accreditation for the remainder of the six-year cycle and require an additional progress visit with a visit in one year (year 4 of the accreditation cycle)

3. Reaffirm accreditation for the remainder of the six-year cycle and require an additional progress report due in one year (year 4 of the accreditation cycle)

4. Accreditation status withheld.

Distribution of the Visiting Committee Materials

1. **One** (1) copy of the visiting committee report should be sent to the school.

2. **One** (1) copy of the visiting committee report and **one** (1) copy of the confidential recommendation and summary statement should be sent via email to the appropriate ACS WASC Mid-cycle Visit Coordinator listed below.
