ACS WASC MID-CYCLE VISIT PROCEDURES (ONE-DAY) SCHOOL INSTRUCTIONS

Schools that receive a six-year accreditation status with a required one-day mid-cycle visit prepare a progress report to submit to the mid-cycle visiting committee prior to the scheduled visit.

The progress report is a concise compilation of all progress noted since the previous visit. Included in this report should be the progress made on the recommendations and critical areas for follow-up left by the previous visiting committee and any improvement in student achievement relative to the schoolwide learner outcomes and academic standards. Supporting evidence should also be included. The progress report should be completed and submitted **no later than six weeks** prior to the visit.

The mid-cycle visiting committee is comprised of a chairperson and an additional member. **The chairperson will contact the principal to establish a date for the visit.** Once the date has been established, the chairperson should provide the date information to the ACS WASC Office. The visit must take place before the end of the third year of the school's six-year accreditation cycle.

The school works closely with the visiting committee chairperson in planning the schedule for the visit and the principal is responsible for all logistical arrangements, such as a work room, etc. The visiting committee expenses are submitted to the ACS WASC office for reimbursement.

Preparation of the School's Progress Report

The progress report should be prepared by the leadership team responsible for monitoring the schoolwide action plan. All stakeholders are encouraged to be involved in the process.

If there are differing opinions regarding the nature and extent of progress, this should be indicated and explained in the report. If changing conditions have made parts of the action plan obsolete, that should be noted and explained.

All stakeholders, including the Governing Board, should review and approve the report prior to the visit.

The school mid-cycle progress report template can be found on the ACS WASC website at www.acswasc.org/wp-content/uploads/pdf_general/Mid-cycleProgressReportTemplate.doc.
