    - Was the analysis of the school program done in relation to the critical student learning needs, the schoolwide learner outcomes, the academic standards, and the concepts of the criteria?
    - Does the schoolwide action plan address the major identified growth areas and enhance the learning of all students as identified in the student/community profile?
    - Are the critical student learning needs and the schoolwide learner outcomes being addressed through the action plan?
    - Is the implementation of a standards-based system being addressed through the action plan?
    - Has the school integrated other initiatives to create one “umbrella” schoolwide action plan?
    - Is the action plan feasible and realistic? Are resources considered for each action plan section?
    - Do the ways of assessing progress include the analysis of student learning?
    - Is there sufficient commitment to the action plan, schoolwide and systemwide?

- \_\_\_9. Allow adequate time for responses and give appropriate feedback to responses to questions.
- \_\_\_10. Concentrate on being a good listener. Be aware of nonverbal feedback.
- \_\_\_11. Meet and lead discussions with the school self-study committees that are pertinent to your assigned areas of writing responsibility.
