ACS WASC/CDE FOCUS ON LEARNING
SCHOOLWIDE CRITERIA

A. ORGANIZATION

Vision and Purpose
1. The school has a clearly stated vision and mission (purpose) based on its student needs, current educational research, the district Local Control and Accountability Plan (LCAP), and the belief that all students can achieve at high academic levels. Supported by the governing board and the district LCAP, the school’s purpose is defined further by schoolwide learner outcomes and academic standards.

Governance
2. The governing board (a) has policies and bylaws and the school’s purpose is aligned with them to support the achievement of the schoolwide learner outcomes, academic standards, and college- and career-readiness standards based on data-driven instructional decisions for the school; (b) delegates implementation of these policies to the professional staff; and (c) monitors results regularly and approves the single schoolwide action plan and its relationship to the Local Control and Accountability Plan.

Leadership: Empowerment and Continuous Planning and Monitoring
3. Based on student achievement data, the school leadership, parent/community, and staff make decisions and initiate activities that focus on all students achieving the schoolwide learner outcomes, academic standards, and college- and career-readiness standards. The school leadership and staff annually monitor and refine the single schoolwide action plan and make recommendations to modify the LCAP based on analysis of data to ensure alignment with student needs.

Staff: Qualified and Professional Development
4. A qualified staff facilitates achievement of the student academic standards and the schoolwide learner outcomes through a system of preparation, induction, and ongoing professional development. There is a systematic approach to continuous improvement through professional development based on student performance data, student needs, and research.

Resources
5. The human, material, physical, and financial resources are sufficient and utilized effectively and appropriately in accordance with the legal intent of the program(s) and LCAP to support students in accomplishing the schoolwide learner outcomes, academic standards, and college- and career-readiness standards.

6. The governing authority and the school leadership execute responsible resource planning for the future. The school has developed policies, procedures, and internal controls for managing the financial operations that meet state laws, generally accepted practices, and ethical standards. The school is fiscally solvent and uses sound and ethical accounting practices (budgeting/monitoring, internal controls, audits, fiscal health, and reporting). [FOR CHARTER SCHOOLS ONLY]
B. STANDARDS-BASED STUDENT LEARNING: CURRICULUM

Rigorous and Relevant Standards-based Curriculum

1. All students participate in a rigorous, relevant, and coherent standards-based curriculum that supports the achievement of the schoolwide learner outcomes, academic standards, and college- and career-readiness standards in order to meet graduation requirements. Through standards-based learning (what is taught and how it is taught), these are accomplished.

Access to the Curriculum

2. All students have equal access to the school’s entire program and are provided assistance with a personal learning plan to meet the requirements of graduation and are prepared for the pursuit of their academic, personal, and career goals.

C. STANDARDS-BASED STUDENT LEARNING: INSTRUCTION

Challenging and Relevant Learning Experiences

1. To achieve the schoolwide learner outcomes, academic standards, and college- and career-readiness standards, all students are involved in challenging and relevant learning experiences.

Student Engagement

2. All teachers use a variety of strategies and resources, including technology and experiences beyond the textbook and the classroom, that actively engage students, emphasize higher order thinking skills, and prepares them to succeed at high levels.

D. STANDARDS-BASED STUDENT LEARNING: ASSESSMENT AND ACCOUNTABILITY

Using Assessment to Analyze and Report Student Progress

1. The school leadership and instructional staff use effective assessment processes to collect, disaggregate, analyze, and report student performance data to the school staff, students, parents, and other stakeholders. The analysis of data guides the school's programs and processes, the allocation and usage of resources, and forms the basis for the development of the schoolwide action plan (SPSA) aligned with the LCAP.

Using Assessment to Monitor and Modify Learning in the Classroom

2. Teachers employ a variety of appropriate formative and summative assessment strategies to evaluate student learning. Students and teachers use these findings to modify the learning/teaching practices to improve student learning.

E. SCHOOL CULTURE AND SUPPORT FOR STUDENT PERSONAL AND ACADEMIC GROWTH

Parent and Community Engagement

1. The school leadership employs a wide range of strategies to encourage family, business, industry, and community involvement, especially with the learning/teaching process.
