  - Was the analysis of the school program done in relation to the critical learner needs, the schoolwide learner outcomes, the academic standards, and the concepts of the criteria?
  - Does the schoolwide action plan address the major identified growth areas and enhance the learning of all students as identified in the student/constituency profile?
  - Are the critical learner needs and the schoolwide learner outcomes being addressed through the action plan?
  - Is the implementation of a standards-based system being addressed through the action plan?
  - Has the school integrated other initiatives to create one "umbrella" schoolwide action plan?
