# The Significance of WASC Accreditation for Supplementary Education Programs

Validates the Supplementary Education Program (SEP)

Creates a roadmap for the continuous improvement cycle

Gives students, families and communities confidence that the SEP has quality resources for all students and staff

Celebrates areas of strength and focuses on area of growth

Staff collaborates through the self-study process

It is a review process that strengthens the program through the lens of experienced educators

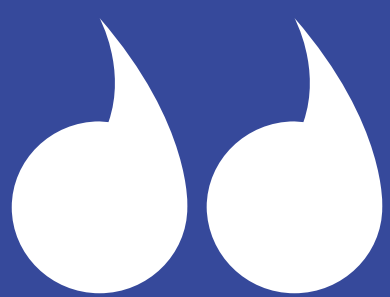

Provides staff time to reflect on the SEPs mission and vision and what is best for all students

# WASC Provides SEPs:

Accreditation for SEPs is a catalyst for positive change and improvement. WASC elevates the quality of education, supports student achievement, and bolsters the reputation of SEPs within the educational landscape.

1

A WASC Advisor throughout their self-study journey

2

A personalized approach

3

A systematic framework to guide SEPs in their continuous improvement cycle

4

Tools for SEPs to use throughout the self-study process and beyond

# About Us

## Our Mission

ACS WASC advances and validates quality ongoing school improvement by supporting its private and public elementary, secondary, and postsecondary member institutions to engage in a rigorous and relevant self-evaluation and peer review process that focuses on student learning.

**5,200+** Schools Served Worldwide

**20** Educational Partners
