Accreditation: A Data-Driven Self-Analysis of School Program based on WASC Criteria  
Edu X 309.4 (2.0 units)

**Description:** The Accrediting Commission for Schools, Western Association of Schools and Colleges (WASC), fosters improvement through an accreditation process that is a dynamic, results-based approach supporting a school's overarching structure for change. This course will involve the participants in the examination of strategies to assess the school program and operations with respect to the WASC criteria, student performance, the schoolwide student goals (ESLRS) and academic standards. Such analysis is imperative to assure an action plan aligned to the most important growth needs.

**Saturday, October 14; Saturday, October 21 (2 meetings)**

**8:00 am–6:30 pm**

**Fee: \$200 credit/\$190 noncredit**

**includes parking**
